

Firebird Soaring

LEAPING TOWARD DREAMS

RESPOND to the image of the ballet dancer soaring through the air like the firebird. At a distance, this person resembles a bird in flight. How did the illustrator achieve the illusion of motion and represent emotions in this art?

CREATE a sketch of a dancer soaring toward dreams. How can you show motion and emotion in your sketch, regardless of what dance style you draw?

CONNECT your dream to the dance style and dancer you sketched. Prepare your presentation by thinking of teachers or mentors who have helped you envision your dreams and reach your goals.

PRESENT your art and discuss who has helped you take a leap toward your goals.
