

## Music Chair

Environments that  
Inspire Learning

Chrome Finish

Black  
Powdercoat  
Finish

### Features

#### Seat:

- One-piece, injection-molded, polypropylene shell with even color and subtle texture
- Shell and tubular steel frame is ergonomically designed to offer upper back and lumbar support
- Waterfall edge promotes good circulation and relieves pressure points
- 15 contoured ribs provide greater flexibility at the upper back while supporting the lower back
- Convenient integral handle in the upper back for easy carrying
- Unique molded indentations on both sides of the chair back prevent shifting or leaning when stacked
- Optional seat and back pads are available

- Extra-wide shell provides 30% more seat surface

#### Frame:

- Frame is formed from 1 1/8" tubular steel; 16-gauge steel is used on 18.5"A+ chairs. Frames are welded to two 14-gauge steel support brackets
- Available in nickel-plated chrome or black powdercoat finishes for long lasting durability
- Stacks 5 high
- Seat is attached to the frame on the underside of the seat with six steel rivets. No exposed hardware on the surface.
- Features a special angled frame to encourage proper posture
