- Back measures 19 ½" W x 24" H
- Meets ANSI/BIFMA and CA117 fire retardant standards: certified for an 8-hour work day

Environments that Inspire Learning

Features

tilt tension control

Increase or decrease tilt tension depending on user's body weight.

synchro-tilt

Backrest and seat tilt in unison. Back tilts more than seat and is tension adjustable.

arm height adjustment

Raise or lower so your forearms rest comfortably while typing at a computer and working at your desk.

center-tilt

Chair tilts from a point under the center of the seat allowing you to rock. Tension adjustable.

knee-tilt

Chair tilts from a point at the front of the seat keeping your feet on the floor as you rock. Tension adjustable.

seat height adjustment

Raise or lower so your feet rest flat on the floor. This will accommodate individuals of all different heights.

Features

waterfall seat

Reduces pressure at the back of the knee allowing for good blood flow.

seat depth adjustment

Change the depth of the seat to accommodate the length of your thighs. Keeps your back in contact with the backrest while avoiding pressure behind your knees.

width adjustable arms

Adjusts arms inward or outward to match an individual's shoulder span for maximum comfort
