- Back measures 12.29"H x 20"W
- Meets ANSI/BIFMA and CA117 fire retardant standards: certified for an 8-hour work day

Features

back height adjustment

Raise or lower to support the lumbar (lower back) region.

arm height adjustment

Raise or lower so your forearms rest comfortably while typing at a computer and working at your desk.

arm depth adjustment

Arm moves forward and backward.

ratchet back height adjustment

Easily raise back with upward ratchet to support the lumbar (lower back) region.

center-tilt

Chair tilts from a point under the center of the seat allowing you to rock. Tension adjustable.

back angle adjustment

Adjust to change the angle of the back in relation to the seat. Will allow for multiple angles based on individual's size.

Specifications

Model	Model Number	Description	Width	Depth	Height	Seat Height Adjustment
Managerial Office Chair	1311518 (Black) 1488197 (Colors)	Mid-back	25 ¼"	23 ½"	40 ½"	17" - 21"

Additional colors are available, call for details.

Features

seat height adjustment

Raise or lower so your feet rest flat on the floor. This will accommodate individuals of all different heights.

waterfall seat

Reduces pressure at the back of the knee allowing for good blood flow.

forward seat tilt

Allows chair to tilt forward changing the angle of your thighs in relation to the floor. Allows for full back support when working at a computer.

width adjustable arms

Adjusts arms inward or outward to match an individual's shoulder span for maximum comfort
