

Mid-Back Chair

Environments that Inspire Learning

Features

Base:

- Sturdy black aluminum frame
- Five-star nylon base
- 2" dual-wheel casters for easy mobility
- Weight capacity 250 lbs.

Seat and Back:

- Contoured mesh back and padded fabric seat
- Breathable mesh style is ergonomically designed to conform to the natural curvature of the spine
- Aluminum frame armrests adjust 2 7/8" in height
- Arms are covered with a powder-coating for durability and soft polyurethane pads for comfort
- Dual-action synchro-tilt allows the back to recline at a two-to-one ratio to the seat angle so you can recline while keeping the seat cushion relatively level to the floor
- Other functions include four-position tilt lock/unlock, seat-depth adjustment, integral lumbar support and tilt tension
- Pneumatic seat height adjustment from 18 5/8" to 21 1/4"
- 360 degree swivel
- Seat measures 18 1/8"W x 18 1/8"D
- Back measures 17 7/8"W x 18 7/8"H
- Meets ANSI/BIFMA standards: certified for an 8-hour work day

Features

tilt tension control

Increase or decrease tilt tension depending on user's body weight.

tilt lock

Lock in positions to accommodate your posture.

synchro-tilt

Backrest and seat tilt in unison. Back tilts more than seat and is tension adjustable.

seat height adjustment

Raise or lower so your feet rest flat on the floor. This will accommodate individuals of all different heights.

seat depth adjustment

Change the depth of the seat to accommodate the length of your thighs. Keeps you back in contact with the backrest while avoiding pressure behind your knees.

integral lumbar support

Easily adjusts to enhance comfort.
