

Mid-Back Task Chair

Features

Base:

- Sturdy black metal frame
- Five-star nylon base
- 2" dual-wheel casters for easy mobility
- Weight capacity 250 lbs.

Seat and Back:

- Contoured mesh back and padded fabric seat
- Breathable mesh style is ergonomically designed to conform to the natural curvature of the spine
- Features a sophisticated cable control mechanism to control the many chair comfort functions.
- Seat-glide mechanism allows the seat cushion to travel forward and back and then lock into position.
- Other functions include tilt lock, seat-depth adjustment, synchronized knee tilt, and tilt tension
- Pneumatic seat height adjustment from 18 ¼" to 22"

- 360 degree swivel
- Arms adjust in height from 18 ¼" to 21 ⅞"
- Arms are covered with a powder-coating for durability and soft polyurethane pads for comfort
- Seat measures 20"W x 17 ⅜"D
- Back measures 18 ⅞"W x 22 ⅝"H
- Meets ANSI/BIFMA standards: certified for an 8-hour work day
- An optional headrest is available for purchase

Features

tilt tension control

Increase or decrease tilt tension depending on user's body weight.

knee-tilt

Chair tilts from a point at the front of the seat keeping your feet on the floor as you rock. Tension adjustable.

tilt lock

Lock in positions to accommodate your posture.

seat height adjustment

Raise or lower so your feet rest flat on the floor. This will accommodate individuals of all different heights.

seat depth adjustment

Change the depth of the seat to accommodate the length of your thighs. Keeps you back in contact with the backrest while avoiding pressure behind your knees.

arm height adjustment

Raise or lower so your forearms rest comfortably while typing at a computer and working at your desk.
