Center Enterprises Inc
PO Box 331361, West Hartford, CT06133-1361, USA

The following sample was submitted and identified by the client as Ink Pads (1 formulation).

Product Description	Ink Pads (1 formulation) CE6605 Red ink pad; CE6601 Yellow ink pad; CE6604 Blue ink pad CE6603 Green ink pad; CE6602 Orange ink pad; CE6607 Violet ink pad CE 6606 Black ink pad; CE6646 Rainbow ink pad; CE6609 Pink ink pad
Weight/Volume	: 60 g
Region of Origin	: China
Region of Destination	: USA
Sample Receiving Date	: April 22, 2009
Test Period	: April 22~24, 2009
Reference No.	: SHT002907882

Test Requested

For compliance with Labeling of Hazardous Art Materials Act (LHAMA) and the criteria outlined in ASTM D-4236.

Test Results

Please refer to the following page(s).

Conclusion

The submitted sample (Ink Pads, 1 formulation) can be labeled as

CONFORMS TO ASTM D-4236

Signed for and on behalf of
SGS-CSTC Standards Technical Services Co., Ltd.

Date: July 6, 2009

Page 2 of 3

Test Results:

The formulation of the sample (Ink Pads, 1 formulation) submitted on April 22, 2009 was reviewed according to the US Consumer Product Safety Commission's guideline at 16 CFR 1500.135 and the criteria outlined in ASTM D-4236.

In this review the available data, including the relevant data from the National Toxicology Program (NTP), International Agencies for Research on Cancer (IARC) and other sources in the National Library of Medicine Data Bank were considered to assess the need for chronic health hazard warning. The carcinogenicity, reproductive hazard, neurotoxicity, bioavailability and potential exposures were also considered and in the absence of a specific data, a reasonable judgment was made to assure a realistic assessment of the hazard on the ultimate art material package.

The review is based only on the submitted formula (Appendix-1). If there is any alteration to this formula or if heavy metal contamination such as lead is detected in this product, it will void this certification. The validity of this review is dependent upon the validity of the disclosure by both the manufacturers of the components and that of the finished product. In addition, the best professional capabilities is used in performing this review and if the applicant wish to use this opinion, SGS-CSTC Standards Technical Services Co., Ltd. or any of its employees will not be held reliable for any injury or damage resulting from this product.

This review will need to be updated every five years or upon reformulation or upon change of new significant safety information. In addition, the submitted sample should also be in compliance with US CPSC additional guidelines in all respects.

The amount of the ingredients contained in the product does not contain any material in quantity sufficient enough to cause chronic toxicity among users, when used for its intended purpose. Not intended for children under 3 years of age. Avoid ingestion. Adult supervision is required.
